Deze Primitivo van de kwaliteitsproducent Geografico heeft een dieprode kleur. In de geur fruitsmaken zoals die van kersen en bramen verpakt in chocolade. Deze komen in de smaak mooi terug aangevuld met die van vanille en cacao. Opvallend is vooral de frisheid die deze wijn bezit.

This Primitivo from the quality producer Geografico has a deep red color. In the scent fruit flavors such as those of cherries and blackberries wrapped in chocolate. These are nicely reflected in the taste, complemented by those of vanilla and cocoa. The freshness of this wine is particularly striking.
